Uses

Fast and long lasting relief of 8 dry eye symptoms caused for instance by the use of digital devices, ageing, hormonal changes (menopause) and environmental factors. Hydrates, restores and protects. Works on the two main types of dry eye.

Format and Ingredients

Non-medicinal eye drops

Dosage

Over 6 years: 1 or 2 drops in the affected eye(s) as needed.
Contact lens wearers: remove contact lenses first, apply the drops and wait 15-20 minutes before putting contact lenses back in. Offers fast relief for up to 12 hours.
