Uses

Provides relief for the symptoms of dry eye. Protects, hydrates and lubricates moderate to severe dry eyes. Suitable for contact lens wearers. Soothes discomfort, stinging sensation, foreign body or irritation of the eyes caused by smoke, pollution dust, sunny or cold conditions, dry heat, air conditioning, plane journeys and long hours working in front of a computer screen. Suitable for contact lens wearers. Sterile 6 months from opening.

Format and Ingredients

Eye drops containing:

Sodium Hyaluronate 0.15%, 3% Trehalose,

Dosage

1 drop per eye 4-6 times a day or as recommended by an eye care professional.
