PRODUCTS LTD

Pack size

12ml

RRP

£5.99

Legal Status

MD

Uses

Softens and removes hardened ear wax. Helps to reduce the need for syringing.

Format and Ingredients

Ear drops containing:

Urea Peroxide 5% w/w, Glycerin,

Dosage

Adults: tilt the head to one side and release 3-6 drops into the ear canal. Keep head tilted and keep drops in the ear for a few minutes. Gently remove the liquid coming out of the ear canal and rinse gently with lukewarm water to remove any remaining ear wax. Repeat once or twice a day to remove ear wax or once a week to help prevent build up. Suitable for children following medical advice.
