

Rohto Dry Aid Intensive Dry Eye Relief

Uses

Provides relief for all types of dry eye for up to 12 hours. Relieves 8 dry eye symptoms that can be caused by digital devices, ageing, hormonal changes (menopause) and environmental factors. Hydrates, restores and protects.

Dosage

Adults and children over 6 years: 1-2 drops in the affected eye(s) as needed. Contact lens wearers: remove contact lenses first, apply the drops and wait 15-20 minutes before putting contact lenses back in. 6 years and under: not recommended.
