

# Zovirax Cold Sore Cream

## Uses

Treatment for herpes simplex virus infections of the lips and face (cold sores).

## Dosage

Adults, elderly and children: apply 5 times daily at appropriate 4 hourly intervals for 4 days starting at the first sign of a cold sore (blister or tingle stages). If healing has not occurred after this time, continue for up to 10 days. If lesions are still present after 10 days, a doctor should be consulted.
