Healing patch for cold sores.

Format and Ingredients

Patch containing:

Hydrocolloid gel,

Dosage

Adults, the elderly and children (parent/caregiver responsibility to ensure child is old enough to ensure proper use): to apply follow the instructions in the pack leaflet. A patch should be used as soon as the first signs of a cold sore are felt (e.g. tingling, itching or burning sensations). Use continuously day and night until lesion is fully healed. Makeup or lipstick can be applied over the patch.
