

Deep Heat Warming Belt

Uses

Targeted, odourless, non-stick warming pain relief for lower back and hip pain. Provides long lasting relief for up to 12 hours.

Dosage

Use on clean, dry skin. Apply belt to affected area then wrap around waist and secure. For delicate or ageing skin wear outside of clothing. Single use only. Do not attempt to reheat. Not for use by infants, children or those unable to remove the belt on their own.
