

Stérimar Hayfever & Allergy Relief

Category

Hayfever & Other Allergies

Manufacturer

CHURCH & DWIGHT UK

LTD

Pack size

50ml

RRP

£4.99

Legal Status

MD

Uses

Eliminates allergens by washing out nasal cavities. Prevents allergy symptoms (sneezing, runny noses and itching). Helps to reduce the number of acute allergic rhinitis episodes.

Format and Ingredients

Nasal spray containing:

100% natural sea water based solution (isotonic solution enriched with manganese),

Dosage

Adults and children 3 years and over: follow pack instructions and use 2-6 times a day for as long as needed, or as recommended by a doctor. Suitable for use during pregnancy and breastfeeding.
