

Optrex Multi Action Eye Wash 100ml

Uses

To cleanse and soothe tired, uncomfortable eyes.

Dosage

Adults and children: rinse the eye bath before use and fill with eye wash until a third full. Bend head slightly forward and place the eye bath over one eye. Slowly raise the head, opening the eye so the eye wash flows freely over it. Gently rock head from side to side for at least 30 seconds, discard any eye wash left in the eye bath. Repeat for the other eye.
