Uses

A traditional herbal medicinal product used for the relief of muscular aches, pain, stiffness, sprains, bruises and minor sports injuries, based on traditional, longstanding use only.

Format and Ingredients

Ointment containing in 1g:

0.10ml of tincture from fresh Arnica montana L., planta tota (Arnica whole plant) (equivalent to 48mg of fresh Arnica whole plant),

Dosage

Adults, the elderly and children: apply sparingly to the affected area with gentle massage 3-4 times daily. For injury: apply a small amount immediately at the site of the injury to prevent bruising and swelling. If symptoms do not improve after 7 days, a doctor should be consulted.
