

Cl-ear Express Ear Drops

Category

Ear Care

Manufacturer

EM PHARMA LTD

Pack size

12ml

RRP

£5.49

Legal Status

MD

Uses

Softens and removes hard ear wax. Helps to prevent hardened earwax build-up.

Format and Ingredients

Ear drops containing:

Urea Hydrogen Peroxide 5%,

Dosage

3 to 6 drops into the ear. Keep the drops in the ear for a few minutes then rinse with lukewarm water to remove the remaining earwax. Use once or twice a day for up to 6 days. Children should receive medical diagnosis before use.
