

# Blepha Eyebag Warming Eye Mask

## Uses

Microwaveable warming eye mask to relieve symptoms of dry eye associated with meibomian gland dysfunction, and other related eye conditions such as blepharitis, styte and chalazion.

## Dosage

For the first 2 weeks, use twice a day for 5-10 minutes each time, ideally morning and evening. Thereafter, 3-4 times a week is usual but should be used according to severity of symptoms.

## Format and Ingredients

Reusable eye mask
