Carnation Corn Caps

Uses

For the removal of hard corns. No more than 3 corns to be treated at any one time. Contains peanut oil.

Dosage

Adults over 15 years: place 1 cap over the corn and leave in place. Change every 2 days until the corn is easily removed. A maximum of 5 corn caps should be used per corn. Not to be used by people with diabetes, peanut or soya allergy, severe circulatory disorders or those under 15 years of age, except on medical advice. Not to be used during pregnancy.
