

## Zaspray Itchy & Dry Eye Relief Spray

### Uses

Soothes, hydrates and lubricates dry eyes, especially those associated with allergy. Relieves itchy, dry, irritated and red eyes.

### Dosage

Spray once or twice onto closed eyelid from approximately 10cm away. Repeat on the other eye if necessary. Use 3-4 times a day for 3-4 days. Not to be used for more than 30 consecutive days.

### Format and Ingredients

Eye spray containing:  
Sodium Hyaluronate 0.2%,
